

# FUEL Writing

Use the FUEL strategy to guide your paragraph writing. Fill in each section below with your ideas, explanations, and evidence.

## F - Fact (Topic Sentence)

State your main idea or argument clearly.

## U - Understanding (Explanation)

Explain your fact or provide background/context.

## **E - Evidence (Support)**

Give specific evidence (quote, data, example) to support your fact.

## **L - Link (Conclusion or Transition)**

Link back to the main idea or lead into the next paragraph.
